#### Committee Reports:

Safety/Security: No update

Membership: The timeline was reviewed for dues.

Strategic Plan: Tabled until next meeting.

Media/Public Relations: No-one at the meeting attended (or were planning to attend) the I-95 update meeting.

Website: Larry Dooling recommended an updated member list on the website.

New Business: Citywide Spring Clean Up is scheduled for April 8, 2017 at 8:30am. Meet in front of PJ Dooling.

Elections: Vance Conston nominated himself for the position of Vice President. He was confirmed by unanimous vote. The members around the table commended Vance for stepping up and taking the position. It was also noted by Larry Dooling that other positions are still open including the position of President and requested that someone in the membership fill that title.

Next Meeting: April 12, 2017.

The following meeting is May 11<sup>th</sup> and it was determined to collect the group's interest in having a real estate round-table at that meeting, but only if enough members commit to attend. The members at the table were very concerned that having an event with poor member attendance would be a black eye to the RCA.

A general discussion took place about an update on local traffic flow, construction, vandalism & lack of attendance at this meeting.

The meeting was adjourned at 9:25am
